

**APPLICATION FOR COMPREHENSIVE EXAMINATION
MASTER OF SCIENCE IN KINESIOLOGY**

Students are expected to take comp questions from classes already completed and not those in which they are currently enrolled. For students pursuing a minor, it is expected that at least one class chosen from the five courses will be from the minor sequence of classes. It is the student's responsibility meet with the instructor of each course listed on this form to obtain permission to receive a comprehensive exam from that particular course. After receiving permission from each instructor, the student should meet with his/her advisor to obtain an approval signature. Completed form should be submitted to the departmental graduate advisor.
